PUBLICATIONS ON RABBITS, CAVIES, AND OTHER STOCK

Compiled in the Section of Fur Resources, Division of Wildlife Research

The publications and processed leaflets listed herein include contributions by the Bureau of Biological Survey both before and after its transfer from the Department of Agriculture to the Department of the Interior in 1939 and contributions by the Fish and Wildlife Service, which was formed in 1940 by consolidation of the Bureau of Biological Survey and the Bureau of Fisheries.

Publications preceded by a star (*) can be obtained only by purchase from the Superintendent of Documents, Government Printing Office, Washington, D. C., at the prices stated. Remittances should be sent direct to the Superintendent of Documents--NOT to the Department or the Service.

In all requests please mention the series, the number, and the title of the leaflets desired and list them in numerical order.
